

CATEGORY	PROGRAM CODE	PROGRAM NAME	DURATION
UPSTREAM DRILLING	USD 001	Basic Drilling Engineering Technology	5
	USD 002	Advanced Drilling Engineering	5
	USD 003	comprehensive Casing design	5
	USD 004	Cementing (one day landmark, opticem)	5
	USD 005	Comprehensive Drill String Design	5
	USD 006	Horizontal and Directional Drilling	5
	USD 007	Drilling Management and Optimization	5
	USD 008	Drilling Problems	5
	USD 009	Stuck Pipe and Fishing Operation	5
	USD 010	Drilling Fluid and Mud System	5
	USD 011	HPHT Well Control	5
	USD 012	Well Completion and Workover Procedures	5
	USD 013	Subsea Completion Operations	5
	USD 014	Deep water Drilling design and operation	5
	USD 015	Drilling Hazards	5
	USD 016	Rig Equipment & Selection	5
	USD 017	Advanced Practical well control	5
	USD 018	Intelligent Completions	5
	USD 019	Formation Damage (Evaluation and Control Strategies)	5
	USD 020	Directional, Horizontal, and Multilateral Drilling	5
